2019 Federal Poverty Level Guidelines.

I can truly say that (please initial each one below)

___ My household income is above 200% of the Federal Poverty Level

___ I am interested in learning and applying new ideas to mentor someone out of poverty

___ I am committed to attending two meetings/month on selected evenings for 18 months, contacting your Leader as needed by email, phone, and/or text.

An introduction training session will be offered called Bridges Out of Poverty. Upon successful completion, those wishing to continue will then be interviewed. We are looking for middle- and upper-class community members who are willing to make a long term-time commitment – 18 months - to mentor someone on his/her journey out of poverty.

Why do you want to be a mentor? _____
